Continuing the Tradition

This camp will include instruction and an introduction to Irish Baseball as the Scioto Baseball program has established it. The camp will stress the basic fundamentals of baseball, essentials to success at every level, with a strong emphasis placed on hitting. This will include an in-depth analysis of how each camper can improve his game. Come and enjoy a positive and informative atmosphere as each camper learns to maximize his potential and have fun.

The Irish baseball program is built upon the philosophy that ALL players can achieve success through effort and attitude. In 14 years this philosophy has produced 6 OCC championships, 10 Sectional championships, 4 district championships, 1 Regional championship, and 299 victories. Additionally, 16 players have been named All-Ohio, and numerous others have gone on to play collegiately.

Repeat campers receive a special gift.
