Dear Coach:

In an effort to improve the team selection process and streamline the evaluation procedure for indentifying player skill levels, we are asking each coach to complete an evaluation of each player on his/her team this past season. Evaluations will be used to select players next season. Please provide an objective evaluation of all players on your team, including your own son or daughter. Thank you.

Please evaluate the individual players on your team this year as follows, using the descriptions as a general guideline:

Player is strong in most skills; can throw, catch, hit, and field ground balls well. Can change hands and cradle with off-hand. A

Player demonstrates above average ability level in most skills. Can throw, catch, and field ground ball with dominant hand. Off-hand skills are weaker. B

Player has average abilities; demonstrates good skills from time to time with dominant hand. C

Player has below average skills; player is a beginner or has limited knowledge of the game. D

\*\* G = Goalie    A = Attack    M = Midfield    D = Defense

**RETURN WITH YOUR EQUIPMENT - Thank you.**
