From: Ron McCamish
Director of Recreation Volleyball

Welcome to DYA Volleyball's eighth season!

As you begin the season as a volunteer coach in the DYA Recreational Volleyball program, I want to express my sincere thanks for the time you will spend in making this an enjoyable experience for boys and girls in our community. With the right attitude and perspective your experience can be as rewarding for you as it is for the players. Remember, without you this program would not be taking its first steps.

While volleyball is a game of many rules and strategies, we have two main rules that render the balance of the rules of lesser impact: have fun and everybody plays! You will be leaders on the court every weekend. Your players and parents will quickly follow your lead. Please keep this in mind as you get into exciting and close calls.

Feel free to contact me if there are any questions I can answer for you. In the meantime, have a great season!
